Solano County Senior & Caregiver Resource Guide

2008-2009

INTRODUCTION

This Guide has been developed to help older people, as well as persons with disabilities and their caregivers in Solano County find needed services. We have tried to include the basic resources available, along with where to call for additional help.

The Guide's purpose is to help you start your search. The listing of services in this directory does not constitute an endorsement. You will find that some of the resources are free of charge, some have fees based on income, and other charge set fees.

We were not able to list some resources because of space limitations. If you need something not listed, or if you have questions about a service, call the
