ACOA LEGISLATION REPORT

January 2026

STATE LEGISLATURE

California's state legislature returned from winter break on Monday, January 5th and are busy finalizing their 2026-2027 legislative packages, which are due on or before February 20th. As was done last year, the ACOA will pay special attention to bills from other organizations focused on the issues impacting older and disabled adults:

- Justice in Aging
- California Alliance of Retired Americans
- Choice in Aging
- Leading Age

The Senior Legislature has been contacting each legislative office to present its top proposals; as of 1/16, four proposals have been picked up:

- SP1: Medical Personal Needs Allowance (ASM Ahrens)
- SP2: Older Adult Education (ASM Choi)
- AP2: Personal Income Tax: Senior Child Care Credit (Senator Dahle)
- AP4: AED's (ASM Sanchez)

CSL ELECTIONS

Elections for CSL office will take place in June; applications and supporting documents can be accessed at aaans.org.

CSL NORTH BAY CAUCUS – LEGISLATIVE PROPOSAL

The caucus is working on a series of potential proposals intended to improve assisted-living supportive housing initiatives. Six ideas are

being researched to develop the California Affordable Assisted-Living Act:

1. Expand the “density bonus” law for senior care
2. Create a state-assisted living voucher program
3. Establish a California Affordable Assisted-Living Tax Credit
4. Fund “small home” and intergenerational housing
5. Require local governments to zone for senior care facilities
6. Create a state revolving loan fund for senior housing

The project team also wants to hear personal stories from people who have had trouble accessing and securing assisted living housing. If you or someone you know has a compelling story to tell, we want to hear it.
